

## D50S.711.SD.CH.100 Anti-panic cylinder

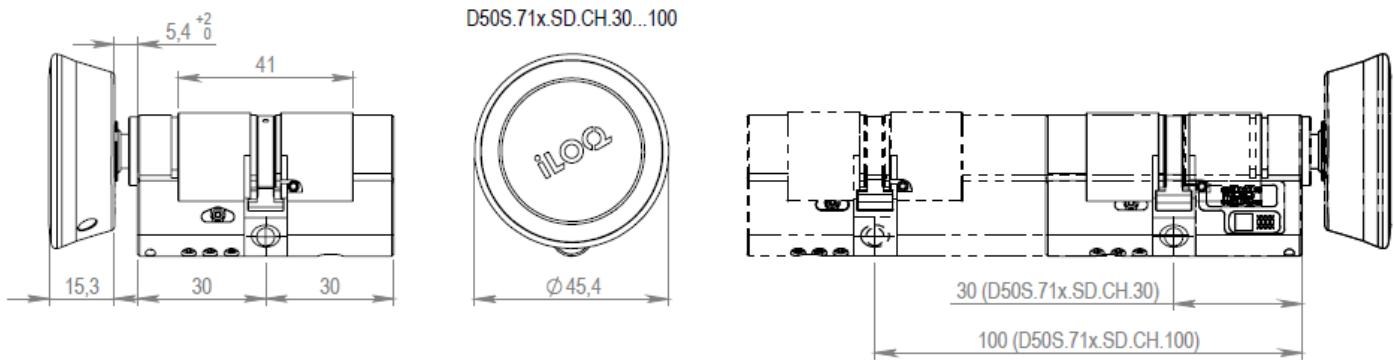

---

### System-level description

---

### Feature summary

## Dimensional drawing

## Technical data

Surface treatment..... Satin chrome

## Certificates

Attack resistance (EN 15684:2020)	Grade 0
Category of use (EN 15684:2020)	Grade 1
Credential related security (EN 15684:2020)	Grade D
Durability (EN 15684:2020)	Grade 6
Environmental resistance (EN 15684:2020)	Grade 4
Fire/smoke resistance (EN 15684:2020)	Grade B
Mechanical key related security (EN 15684:2020)	Grade 0
System management (EN 15684:2020)	Grade 3
Other certificates	FCC, ISED
